

AIR & WASTE MANAGEMENT ASSOCIATION GOLDEN WEST SECTION SCHOLARSHIP FUND

For many years the A&WMA-GWS has offered an annual scholarship to one or more students in the GWS Northern California region enrolled at an accredited university in undergraduate or graduate programs in atmospheric or environmental science and engineering; energy; environmental policy; or waste management. More information on the GWS Scholarship can be found at <http://www.awma-gws.org/gws-scholarships.html>.

To assure continuation of our long-standing regional scholarship program, we have established a **GWS Scholarship Fund** separate from the rest of the A&WMA-GWS operating budget. We are suggesting contributions in the amount of \$25, \$50, \$75, \$100, or any other amount you are comfortable with. You can be assured that our evaluation process will select the most deserving students, with a key selection criterion being financial need.

Your tax deductible donation can be made by mailing your check payable to “**AWMA-GWS**”, along with the completed form below, to the following address:

John Koehler
Co-Chair, A&WMA-GWS Education Committee
ERM
1277 Treat Boulevard, Suite 500
Walnut Creek, CA 94597

You will receive an e-mailed receipt with information required by the IRS to document your tax deductible contribution. Dr. Koehler can be reached at the e-mail address below or at (925) 482-3304 if you have any questions.

If you work for an organization with a matching charitable donation program, please consider looking into that, and if you know your organization will match your contribution, please include details on the form for our follow up.

We hope you will consider contributing in the ongoing mission of the A&WMA. Thank you!

Sincerely,

John Koehler, Sc.D.
